

Biographical Note

Dr Fawad Sadiq

Dr. Fawad Sadiq is a distinguished academic and administrative professional, currently serving as the Director of Quality Enhancement at Riphah International University, Islamabad, Pakistan. He also holds the position of Executive Member at the Pakistan Network of Quality Assurance in Higher Education (PNQAHE), demonstrating his pivotal role in shaping educational quality standards in the region.

Dr. Sadiq's academic journey is marked by notable achievements, including a Bachelor of Science in Computer Engineering from the University of Engineering and Technology, Lahore, and advanced degrees (MS and PhD) in Engineering Management from the National University of Sciences and Technology, Islamabad. His commitment to educational excellence is further evidenced by his certifications as an ISO 9001 Quality Management System Lead Auditor and an ISO 21001 Educational Organization Management System Lead Auditor.

With over a decade of experience in the field, Dr. Sadiq has been instrumental in enhancing academic and governance standards through rigorous audits aligned with ISO 9001 QMS standards and the Higher Education Commission (HEC) of Pakistan's criteria. His expertise extends to innovation management, quality assurance in e-learning, and the development of comprehensive frameworks for institutional effectiveness in higher education.

An active contributor to academic research, Dr. Sadiq has published in prestigious international journals and has been a prominent participant in global conferences, including INQAAHE, where he has shared insights on quality assurance and management in higher education. His work not only underscores his dedication to academic integrity but also his commitment to fostering educational environments that thrive on quality and innovation.
