# V. Conclusion

- ▶ Over the past one decade in Kristu Jayanti's quality journey we strive to impart holistic education with social consciousness in tune with the vision and mission of the institution.
- ▶ The institution's quest for excellence is accomplished by adopting strategies and mechanisms that establish benchmarks, guide and monitor quality in every process and activity in light of various quality concerns.
- ▶ The systematization of the programmes and procedures led to professionalization of quality at all levels.
- ▶ The Institution's continuous commitment to quality with the strong belief that

**‘Quality is not a Destination but it is continuous Journey’.**

**“Success is a measure decided  
by others. Satisfaction is a  
measure known to us.  
Let us keep working to our  
satisfaction, leaving others to  
measure our success.”**
